

Nebraska Firefighters Museum and Education Center Memorial Form

Nebraska firefighters have a long and rich history of serving and protecting our local communities. Therefore, when one of our courageous brothers or sisters answers the final alarm, he or she can be honored with more than flowers.

The Nebraska Firefighters Museum & Education Center offers an opportunity for family and friends to create lasting memorials in honor of the legacy of their loved ones. Memorial donations to the Nebraska Firefighters Foundation will provide several ways to let the memory of your respected loved one live forever.

Contact the Nebraska Firefighters Museum & Education Center for more information by calling 308.293.3859 or emailing at mail@neffm.org

Memorials given to the Nebraska Firefighters Foundation qualify as charitable contributions for income tax purposes. A receipt will be provided.
